

DYNAMIC SIMULATION

Interprofessional Simulation Session

WRHN @ Queens Blvd. Emergency Department

SEPT 9, 2026

0800-1600

- Cases selected based on your department's specific patient population and clinical priorities
- Build confidence managing high-acuity resuscitations as a team
- Understand not just what to do in a complex resuscitation, but why
- Practice the leadership and communication behaviours that prevent errors before they reach the patient
- Leave with a shared mental model and common language your team can use every shift — long after the program ends

✓ ONLY 12 PARTICIPANTS/SESSION

✓ 8 MAINPRO+ CERTIFIED ASSESSMENT CREDITS AND 8 CERTIFIED ACTIVITY CREDITS
